Supplemental Amendment under 37 CFR §1.111

Application No.: 10/582,096

Art Unit: 3633

Attorney Docket No.: 062626

AMENDMENTS TO THE SPECIFICATION

Please replace the paragraph at Page 4, line 17 through line 19 with the following amended paragraph:

FIG. 2 is a sectional view showing a total structure of a staircase constructed using the staircase block shown in FIG. 1. Mortar is laid on a foundation of concrete with reinforcement, and the staircase blocks are arranged on the mortar. Pine or H-Steel may be included in the mortar if required.
